PATENT

10/761,032 and Application Number 10/761,397, as shortened by any terminal disclaimer

filed prior to the patent grant, in the event that any such granted patent: expires for failure to

pay a maintenance fee, is held unenforceable, is found invalid by a court of competent

jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §

1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner

terminated prior to the expiration of its full statutory term as shortened by any terminal

disclaimer filed prior to its grant.

I hereby declare that all statements made herein of my own knowledge are true and

that all statements made on information and belief are believed to be true; and further that

these statements were made with the knowledge that willful false statements and the like so

made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the

United States Code and that such willful false statements may jeopardize the validity of the

application or any patent issued thereon.
